

Party at the Ice Palace:

Do they want to build a snowman with Elsa? Then break the ice at your little one's party by inviting the ice queen herself. Our entertainers know how to bring the magic of Arendelle, including snow-flaked limbo, Let it Go Musical Mats, Olaf arts and crafts, Build a Snowman sack race, and a snowy pass the parcel.

What to look forward to:

Elsa will arrive in her carriage, and bring her sparkly gems, balloons, glitter and games inside for all to enjoy. Our entertainers are experienced, energetic and inclusive. They put smiles (and colours) on the faces of every kid they entertain.

Why choose us?

FacepaintingCo gives them the party of their dreams. Not only will our entertainers be well presented, but they're insured and have Working with Children Checks, so the people of Arendelle are in good hands.
